Fabricação e colocação de caixilharia em :

- **Alumínio**
- **Ferro**
- **INOX**
- **Madeira**
- **PVC**

Concebida para satisfazer as exigências técnicas da caixilharia com qualidade, oferece elevados níveis de conforto térmico e acústico, contribuindo assim para um bem-estar superior e uma economia de recursos com consequente respeito pelo meio ambiente.

Fabrication et pose de menuiserie extérieure en :

- **Aluminium**
- **Fer forgé**
- **INOX**
- **Bois**
- **PVC**

Conçue pour satisfaire les exigences techniques de la menuiserie de qualité, notre menuiserie offre un niveau de confort thermique et phonique élevé, contribuant ainsi un plus grand bien être et une économie considérable tout en respectant l'environnement.

APRESENTAÇÃO

PRESENTATION

[FR] CONFORTALU se consacre à tous types de travaux de menuiserie en aluminium, fer forgé, bois, et acier inoxydable. Notre politique axée sur le dialogue, nous permet de discuter au mieux de votre projet et de vous proposer les meilleurs matériaux en toutes circonstances. En effet, nos commerciaux, en contact permanent avec nos fabricants, sont toujours en mesure de vous conseiller au mieux dans votre idée de projet. Pour vous proposer des produits et services de qualité nous disposons d'une équipe spécialisée dans la fabrication de tous types d'ouvrages.

[PT] Na CONFORTALU executamos todo o tipo de trabalhos em alumínio, ferro forjado, madeira e inox. Concentrada no diálogo, a nossa política permite-nos discutir sobre o seu projeto, propondo-lhe os melhores preços e materiais em todas as circunstâncias. Os nossos comerciais estão sempre em contacto permanente com os fabricantes e sempre dispostos a aconselhar o melhor para o seu projeto. Assim, para lhe propor produtos e serviços de qualidade, possuímos uma equipa especializada no fabrico de todo o tipo de trabalhos em caixilharia.

[FR] Filiale française de CONFORTALU, BATI'T GM se consacre à la rénovation de votre espace.

Titulaire de la mention RGE (Reconnu Garant Environnement) délivrée par Qualibat, une de nos grandes préoccupations est l'amélioration des performances énergétiques de votre bien en mettant à votre disposition une équipe compétente et des produits de qualité.

Pour cela nous disposons d'une équipe spécialisée dans tous les aspects du renouvellement d'espace.

[PT] Filial francesa da CONFORTALU na BATI'T GM dedicamo-nos à renovação do seu espaço.

Uma das nossas maiores preocupações é melhorar o desempenho energético das suas instalações, colocando á disposição uma equipa competente e produtos de qualidade.

Possuímos uma equipa especializada para todas as vertentes da renovação do seu espaço.
